IN PIZZA WE TRUST

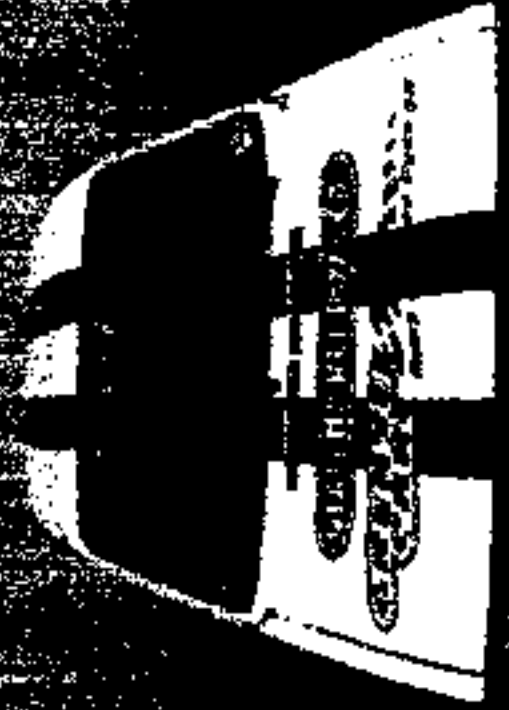

ABOUT US

The original Glass Nickel Pizza Co. opened its doors on Atwood Avenue in Madison, WI on November 5th, 1997. Our first employee was hired 3 days later and is still part of our family today. We still remember when we got our first order for a Deluxe pizza. "We need green pepper! Someone chop a green pepper!" Our veggies are still chopped fresh, in house, every day. Our sauce and dough are still made from our secret recipes every morning. And we still get excited for each pizza ordered and want it to be the best!

We have since expanded with the help of our neighbors, staff and the community. The original Atwood location is still run by the founding families, Brian & Rebecca Gassel and Tim & Megan Nicholson. At each location you are likely to see one of the owners making pizzas, taking an order or out on a delivery. All of our locations are independently owned and operated, many by previous employees. While each Glass Nickel has the same great food and service, you'll find each also has a uniqueness created by its owner and community.

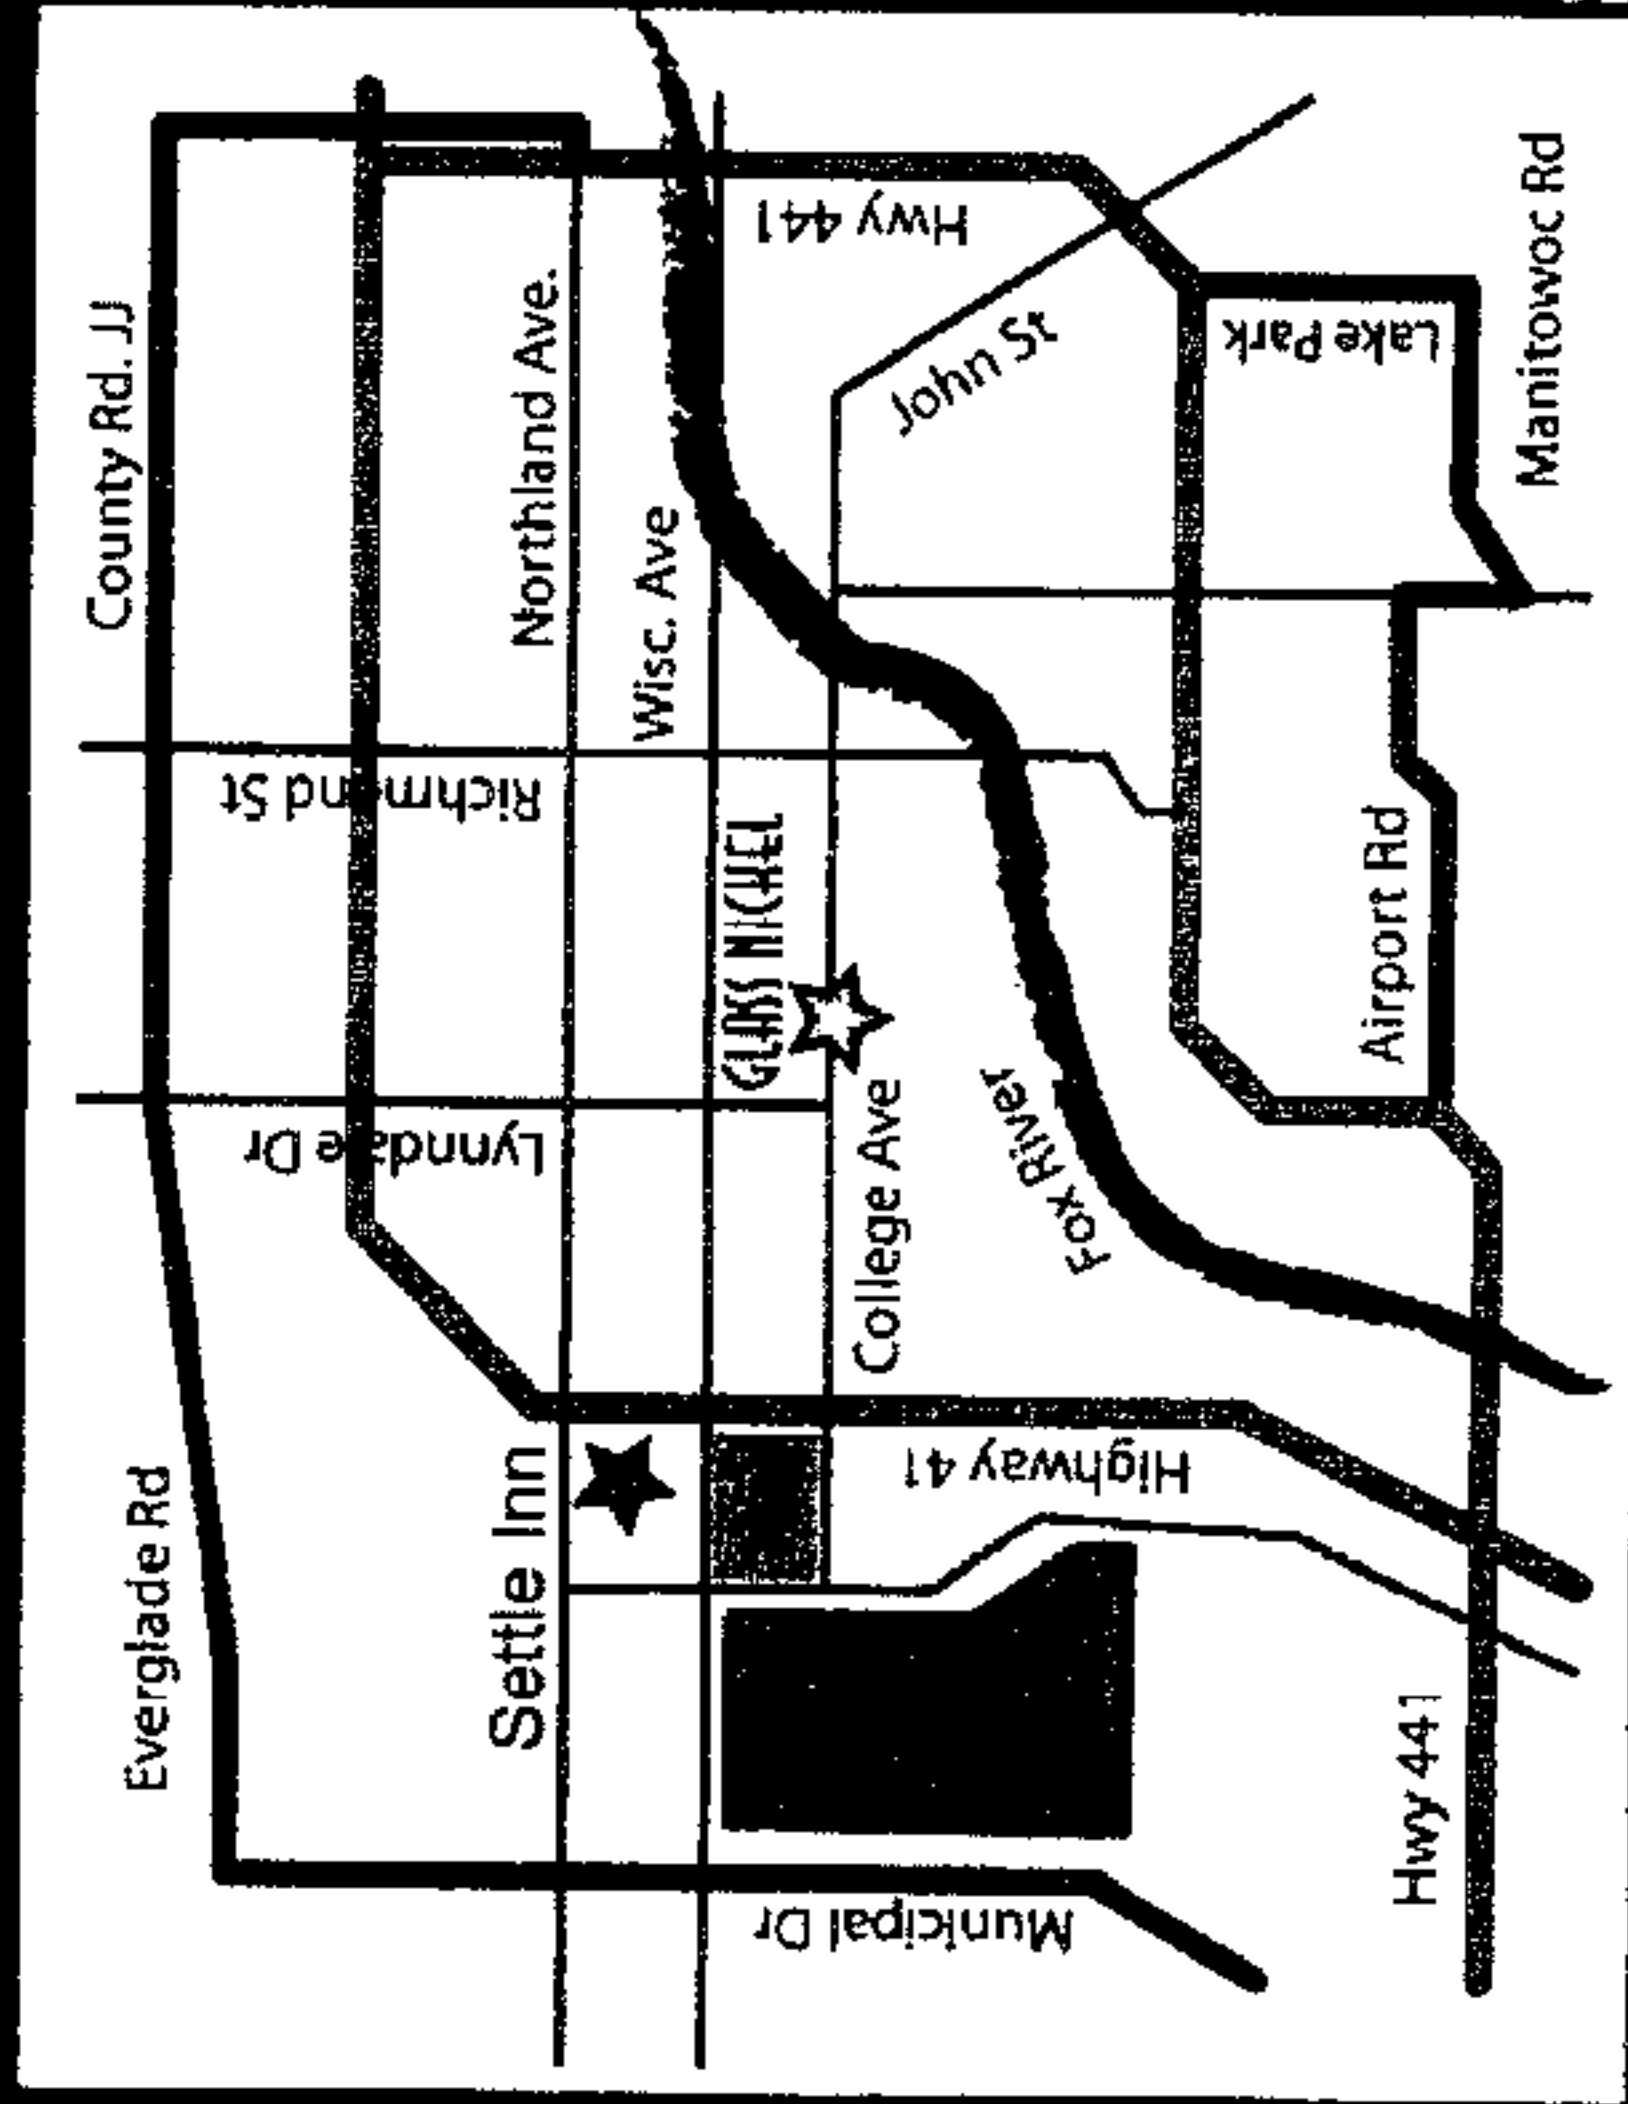

WE APPRECIATE every one of the awards that we have received. While there are too many to mention them all, here are a few we thought you'd like to know about. THANKS for all of the community support, word is getting out that we're the best pizza around!
